

COVID-19 Information

Based on current COVID-19 trends, the US Department of Health and Human Services has declared the end of the Federal Public Health Emergency for COVID-19. For more information click [here](#).

Our staff will continue to follow Yale New Haven Health's recommendations and guidelines. We ask that you not come to the office if you have a fever, respiratory symptoms such as cough or shortness of breath, have tested positive for COVID-19 or have a household member who is positive for COVID-19. We offer Telehealth video visits so that we may continue to address your health concerns. You must sign up for [MyChart](#) if you are interested in scheduling a Telehealth visit.

COVID-19 Vaccine Information

The COVID-19 vaccine is recommended for all pregnant and nonpregnant people. For more information click [here](#). Click [here](#) to find your nearest COVID-19 vaccine location.
